

**§10903. Effective date for suspensions**

**1. For mandatory suspension.** For a violation having a minimum statutory suspension period, a suspension is effective upon conviction or adjudication and the license holder must surrender the license immediately to the commissioner. That person is not entitled to a hearing under section 10905 if the suspension period does not exceed the minimum period of suspension required by law. In addition to any suspension period ordered by the commissioner, a person whose license is suspended for a violation having a mandatory suspension must successfully complete an outdoor ethics course as provided in section 10903-A in order to be eligible to have that license reinstated. A person is not required to complete the outdoor ethics course under section 10903-A if that person's license is revoked under the interstate wildlife violator compact authorized in accordance with section 10103 as a result of a conviction occurring outside of the State and that person has met the eligibility requirements for reinstatement of the license in the state in which the conviction occurred.

[PL 2013, c. 538, §12 (AMD).]

**2. For all other suspensions.** For a violation that does not have a minimum statutory suspension period, a suspension is effective upon written notification of suspension by the commissioner. That person must surrender that license to the commissioner upon receipt of a notice of suspension and is entitled to a hearing under section 10905. The commissioner shall adopt rules specifying the conditions under which a person whose license is suspended for a violation that does not carry a mandatory suspension is required to complete an outdoor ethics course as provided in section 10903-A. Rules adopted under this subsection are major substantive rules as defined in Title 5, chapter 375, subchapter 2-A.
