(REPEALED)

SECTION HISTORY

PL 1975, c. 499, §2 (RP).

§3. Offenses near county line or in 2 counties

When an offense is committed on the boundary between 2 counties or within 100 rods thereof; or a mortal wound or other violence or injury is inflicted or poison is administered in one county, whereby death ensues in another, the offense may be alleged in the complaint or indictment as committed, and may be tried in either.

§4. County lines terminating at or near tidewaters; course

The lines of the several counties of the State which terminate at or in tidewaters shall run by the principal channel in such directions as to include, within the counties to which they belong, the several islands in said waters, and after so including such islands shall run in the shortest and most direct line to the extreme limit of the waters under the jurisdiction of this State, and all waters between such lines off the shores of the respective counties shall be a part of, and held to be within, such counties, respectively.

§5. Warrants for offenses at or near tidewaters; authority of officers

Any official authorized to issue warrants within any county may issue warrants for offenses committed in or upon the waters so made a part of such county or the waters of any adjoining county. Said warrant shall be returnable in the county where issued and the courts in such county shall have jurisdiction of the offense. §6. Acquittal in part; conviction in part
