1. School administrative unit contribution to total cost of funding public education from kindergarten to grade 12. The legislative body of each school administrative unit may vote to raise and appropriate an amount up to its required contribution to the total cost of education as described in section 15688, except that funds provided under Title XIV of the State Fiscal Stabilization Fund of the federal American Recovery and Reinvestment Act of 2009 as part of the amount restored to a school administrative unit's fiscal years 2008-09, 2009-10 and 2010-11 share of general purpose aid as determined under this chapter must be used to lower the school administrative unit's required contribution to the total cost of education.

A. For a municipal school unit, an article in substantially the following form must be used when a single municipal school administrative unit is considering the appropriation of an amount up to its required contribution to the total cost of education as described in section 15688.

C. The state share of the total cost of funding public education from kindergarten to grade 12 as described in section 15688, excluding state-funded debt service for each school administrative unit, is limited to the same proportion as the local school administrative unit raises of its required contribution to the total cost of education as described in section 15688, excluding state-funded debt service costs. [PL 2015, c. 389, Pt. C, §9 (AMD).]

2. Non-state-funded debt service. For a school administrative unit's indebtedness previously approved by its legislative body for non-state-funded major capital school construction projects or non-state-funded portions of major capital school construction projects, the legislative body of each school administrative unit may vote to raise and appropriate an amount up to the municipality's or district's annual payments for non-state-funded debt service.

A. An article in substantially the following form must be used when a school administrative unit is considering the appropriation for debt service allocation for non-state-funded school construction projects or non-state-funded portions of school construction projects.

3. Additional local appropriation. A school administrative unit may raise and expend funds for educational purposes in addition to the funds under subsections 1 and 2.

A. If the amount of the additional funds does not result in the unit's exceeding its maximum state and local spending target established pursuant to section 15671-A, subsection 4, an article in substantially the following form must be used when a school administrative unit is considering the appropriation of additional local funds:

(1) "Article: To see what sum the (municipality or district) will raise and to appropriate the sum of (Recommend \$.....) in additional local funds for school purposes under the Maine Revised Statutes, Title 20-A, section 15690. (Recommend \$.....)"
