(3) Beginning in fiscal year 2010-11 and in subsequent years, the school administrative unit's total debt service costs less the local share amount in paragraph B, subparagraph (2), division (b) is greater than the current state share of the total allocation. [PL 2009, c. 571, Pt. E, §23 (AMD).]

B. The amount of the adjustment is the difference, but not less than zero, between the state share of the total allocation under this chapter and the amount computed as follows.

(2) Beginning July 1, 2007, the school administrative unit's state share of the total allocation if the local share was the sum of the following:

(a) The local share amount for the school administrative unit calculated as the lesser of the total allocation excluding debt service costs and the school administrative unit's fiscal capacity multiplied by the mill rate expectation established in section 15671-A less the debt service adjustment mill rate defined in section 15672, subsection 2-B; and

(b) The local share amount for the school administrative unit calculated as the lesser of the debt service costs and the school administrative unit's fiscal capacity multiplied by the debt service adjustment mill rate defined in section 15672, subsection 2-B. These amounts, if any, are in addition to the audit adjustment amount certified by the commissioner and state board on the prior December 15th. [PL 2005, c. 2, Pt. D, §60 (NEW); PL 2005, c. 2, Pt. [PL 2021, c. 441, §2 (AMD).]

B. The commissioner shall allocate the funds appropriated by the Legislature in accordance with the following.

Qualifying school administrative units shall use the payments provided under this subsection to provide salary adjustments to those certified teachers and career and technical education teachers eligible for incremental salary increases. The department shall collect the necessary data to allow the funds to be included in a qualifying school administrative unit's monthly subsidy payments beginning no later than February 1st of each fiscal year.

A. If a school administrative unit determined eligible pursuant to paragraph B petitions the commissioner and demonstrates that the unexpected education costs of placement of a student in a special education program will cause a budgetary hardship, the commissioner may provide to the unit an amount not to exceed the allowable costs of the placement less 3 times the statewide special education EPS per-pupil rate for in-district placements or less 4 times the statewide special education EPS per-pupil rate for out-of-district placements. The allowable costs are those special education costs described in section 15672, subsection 30-A, paragraphs A and B. [PL 2017, c. 284, Pt. C, §53 (NEW).]
