#### §3360-S. Victims' Property Compensation Fund

**1. Definitions.** As used in this chapter, unless the context otherwise indicates, the following terms have the following meanings.

B. "Crime" means a criminal offense committed under the laws of the State that resulted in verifiable property loss of a person other than a person who committed the crime. [PL 2019, c. 549, §5 (NEW).]

D. "Property loss" means the value of property taken from a victim or of property destroyed or otherwise broken or harmed as a direct result of a crime. [PL 2019, c. 549, §5 (NEW).]

**2. Victims' Property Compensation Fund established.** The Victims' Property Compensation Fund is established to provide for the payment of claims arising under this chapter and for the payment of all necessary and proper expenses incurred by the board in carrying out this chapter. The Attorney General shall administer the fund, which must be held separate and apart from all other money, funds and accounts. The fund receives proceeds from money collected pursuant to subsection 3 and may receive private donations, federal funds and state funds designated by law that may be used for the payment of claims and for reasonable administrative costs. Eligible investment earnings credited to the assets of the fund become part of the assets of the fund. Any unexpended balances remaining in the fund at the end of any fiscal year do not lapse and must be carried forward to the next fiscal year. [PL 2019, c. 549, §5 (NEW).]

**3. Funding source.** In addition to an assessment under section 3360-I, the court shall impose an assessment of \$10 on any person convicted of murder or a Class A crime, Class B crime or Class C crime and \$5 on any person convicted of a Class D crime or Class E crime. For purposes of collection and collection procedures, this assessment is considered part of the fine. At the time of commitment, the court shall inform the Department of Corrections or the county sheriff of any unpaid balances on assessments owed by the offender to the fund. All funds collected as a result of these assessments accrue to the fund, except that in fiscal year 2019-20 only, up to \$10,000 of the revenues collected pursuant to this subsection may be retained by the judicial branch to be used for technology-related upgrades. When compensation is awarded from the fund, the amount of any restitution ordered and paid as part of a sentence imposed that, when added to the award from the fund, exceeds the victim's actual property loss must be paid to the fund, in an amount not to exceed the amount of the award. Similarly, the amount of any insurance, 3rd-party payment or recovery in a successful civil action against a person responsible for the property loss that, when added to the award from the fund, exceeds the victim's actual property loss must be paid to the fund, in an amount not to exceed the amount of the award.
