1. Establishment of fund. The Retirement Improvement Fund, referred to in this section as "the fund," is established within and administered by the retirement system as an interest-bearing, nonlapsing fund for the payment of retirement benefit improvements.

[PL 2025, c. 756, §1 (NEW).]

4. Reporting. By March 1, 2029 and annually thereafter, the retirement system shall submit a report regarding implementation of this section to the joint standing committee of the Legislature having jurisdiction over retirement matters that includes the following information for that fiscal year and the prior 3 fiscal years:
