

**§8-1114. Evidentiary rules concerning certificated securities**

(1). The following rules apply in an action on a certificated security against the issuer.

(a). Unless specifically denied in the pleadings, each signature on a security certificate or in a necessary indorsement is admitted. [PL 1997, c. 429, Pt. B, §2 (NEW).]

(b). If the effectiveness of a signature is put in issue, the burden of establishing effectiveness is on the party claiming under the signature, but the signature is presumed to be genuine or authorized. [PL 1997, c. 429, Pt. B, §2 (NEW).]

(c). If signatures on a security certificate are admitted or established, production of the certificate entitles a holder to recover on it unless the defendant establishes a defense or a defect going to the validity of the security. [PL 1997, c. 429, Pt. B, §2 (NEW).]

(d). If it is shown that a defense or defect exists, the plaintiff has the burden of establishing that the plaintiff or some person under whom the plaintiff claims is a person against whom the defense or defect cannot be asserted. [PL 1997, c. 429, Pt. B, §2 (NEW).]

[PL 1997, c. 429, Pt. B, §2 (NEW).]

**SECTION HISTORY**

PL 1997, c. 429, §B2 (NEW).

The State of Maine claims a copyright in its codified statutes. If you intend to republish this material, we require that you include the following disclaimer in your publication:

*All copyrights and other rights to statutory text are reserved by the State of Maine. The text included in this publication reflects changes made through the Second Regular Session of the 131st Maine Legislature and is current through January 1, 2025. The text is subject to change without notice. It is a version that has not been officially certified by the Secretary of State.
