1. Definitions. As used in this section, unless the context otherwise indicates, the following terms have the following meanings.

A. "Agreement" means a legally binding written document between 2 or more parties, including such documents as are commonly referred to as accepted application, proposal, prospectus, contract, grant, joint or cooperative agreement, purchase of service or state aid. [PL 2007, c. 539, Pt. N, §53 (NEW).]

B. "Performance-based contract" means an agreement for the purchase of direct client services employing a client-centered, outcome-oriented process that is based on measurable performance indicators and desired outcomes and includes the regular assessment of the quality of services provided. [PL 2007, c. 539, Pt. N, §53 (NEW).]
[PL 2007, c. 539, Pt. N, §53 (NEW).]

3. Rules. The commissioner shall adopt rules to implement this section, including, but not limited to, the establishment of program goals, outcome measures, an information management system to collect and manage contract data, a system of ongoing assessment of program effectiveness and hold-harmless guidelines for provider agencies during the first contract period or 12 months, whichever is greater.

C. If only one community service provider submits a notice of intent to bid, the commissioner may enter into negotiations concerning a contract with that provider in accordance with the procedures established for performance-based contracts. [PL 2007, c. 539, Pt. N, §53 (NEW).]
