(CONTAINS TEXT WITH VARYING EFFECTIVE DATES)**

Municipalities, as provided in section 4307, shall pay expenses necessarily incurred for providing basic necessities to eligible persons anywhere in the State by any person not liable for their support provided that the municipality of responsibility shall be notified and approve those expenses and services prior to their being made or delivered, except as provided in this section. [PL 1983, c. 577, §1 (NEW).]

**1. (TEXT EFFECTIVE UNTIL 7/01/26) Emergency care.** In the event of an admission of an eligible person to the hospital, the hospital shall notify the overseer of the liable municipality within 5 business days of the person's admission. **1. (TEXT EFFECTIVE 7/01/26) Emergency care.** In the event of an admission of an eligible person to the hospital, the hospital shall notify the overseer of the liable municipality within 5 business days of the person's admission. If the person meets the financial eligibility requirements for charity care under section 1716-A, hospital services may not be billed to the person or to a municipality.

[PL 2025, c. 488, §4 (AMD); PL 2025, c. 488, §8 (AFF).]

**2. Burial or cremation.** In the event of the death of an eligible person, the funeral director shall notify the overseer prior to burial or cremation or by the end of 3 business days following the funeral director's receipt of the body, whichever is earlier. Notwithstanding section 4305, subsection 3, paragraph C, a decision on any application for assistance with burial expenses need not be rendered until the overseer has verified that a relative or other resource is not available to pay for the direct burial or cremation costs, but the decision must be rendered within 8 days after receiving an application. The parent, grandparent, children or grandchildren, by consanguinity, or the spouse or domestic partner are responsible for the burial or cremation costs of the eligible person in proportion to their respective abilities. When no legally liable relative possesses a financial capacity to pay either in lump sum or on an installment basis for the direct costs of a burial or cremation, the contribution of a municipality under this subsection is limited to a reasonable calculation of the funeral director's direct costs, less any and all contributions from any other source.
