

§455. Environmental registration plates

The Secretary of State shall issue Maine Environmental Trust Fund registration plates beginning April 1, 1994 in accordance with this section. Environmental registration plates are not required for registration of a motor vehicle but are to allow citizens to participate voluntarily in the Maine Environmental Trust Fund program. A citizen may apply for environmental registration plates and contribute to the Maine Environmental Trust Fund as provided in this section. [PL 1993, c. 683, Pt. A, §2 (NEW); PL 1993, c. 683, Pt. The Secretary of State may issue environmental registration plates to a vehicle in any registration class if the designated registration plate for that class does not preclude its use in conjunction with the environmental registration plate design. The Secretary of State may issue environmental registration plates to certain state-owned vehicles in accordance with section 517. [PL 1995, c. 65, Pt. A, §87 (AMD); PL 1995, c. 65, Pt. The design must accommodate the use of numbers and letters as provided in section 453. Upon request and as provided by section 453, the Secretary of State shall issue environmental plates that are also vanity plates. Environmental vanity plates are issued in accordance with this section and section 453. The Secretary of State may modify class codes and create unique identifiers for the purpose of expanding the program.

[PL 2013, c. 496, §3 (AMD).]
