

§461. Reservation of same number

1. Plate issue year. In a year in which new registration plates are issued, the Secretary of State shall reserve until July 1st the same registration number for the succeeding registration year for a person who notifies in writing the Secretary of State prior to May 1st of that person's desire to retain that registration number. The fee for retention of the same registration number is \$25.

The Secretary of State may issue a facsimile plate that is valid for a 90-day period during production of a reserved plate. A facsimile plate must be attached to the rear plate bracket.

If a person does not have a vehicle to register on May 1st, a registration number may be held for a maximum of 2 registration years by depositing with the Secretary of State \$25 for each year. This fee is not refundable and may not be applied against the registration fee.

All numbers other than those reserved must be released and may be issued after July 1st.

A person wishing to select a number out of rotation may do so by paying the registration fee and a reserved number fee of \$25.

[PL 2019, c. 352, §1 (AMD).]

2. Nonplate issue year. In other than a plate issue year, when a person fails to reregister and the registration remains expired for 6 consecutive months, the reservation of the same number ceases and the number becomes available for reissuance.

For a maximum of 2 registration years, a person may reserve the registration number assigned to that person by depositing with the Secretary of State the sum of \$25 for each year. A person wishing to select a number out of rotation may do so by paying the registration fee and a reserved number fee of \$25.

[PL 2019, c. 352, §1 (AMD).]
