

§1362. Professional development

1. Requirement for renewal. Beginning with registrations or licenses that expire in December 2005, every person seeking renewal under section 1357 must provide evidence satisfactory to the board that the person has completed 30 professional development hours within the period for which the registration or license was issued.

[PL 2019, c. 375, §19 (AMD).]

2. Failure to meet requirement. The board may not renew a license of an applicant who fails to meet the professional development requirements under subsection 1. If an applicant subsequently fulfills the requirement after the license has expired, the board may renew the license for the remainder of the 2-year period for which a renewal would have been valid but for the applicant's failure to meet the professional development requirement.

[PL 2019, c. 375, §19 (AMD).]

3. Review; monitoring. The board shall review and monitor compliance with the professional development requirement under subsection 1.

[PL 2019, c. 375, §19 (AMD).]

4. Exemptions. Notwithstanding any other provisions of this chapter, the board or a 3-person committee of the board may allow an exemption or a partial exemption of the requirements of this section to a person seeking renewal under section 1357 upon the showing of an extenuating situation, hardship or disability.

[PL 2005, c. 315, §27 (NEW).]
