§1210-D. County Jail Operations Fund

1. County Jail Operations Fund. Notwithstanding any provision of law to the contrary, at least \$12,202,104 in state funding must be appropriated annually and used for the purposes of the County Jail Operations Fund, as established pursuant to this section and referred to in this section as "the fund." The department shall administer the fund and shall distribute funds to the jails in accordance with this section for the purposes set forth in subsections 2 and 3.

[PL 2015, c. 335, §23 (NEW).]

2. Community corrections. The fund must be used for the purpose of establishing and maintaining community corrections. For purposes of this subsection, "community corrections" means the delivery of correctional services for adults in the least restrictive manner that ensures the public safety by the county or for the county under contract with a public or private entity. "Community corrections" includes, but is not limited to, preventive or diversionary correctional programs, pretrial release or conditional release programs, alternative sentencing or housing programs, electronic

monitoring, residential treatment and halfway house programs, community correctional centers and temporary release programs from a facility for the detention or confinement of persons convicted of crimes. The following provisions apply to community corrections funding.

B. The county treasurer shall deposit 30% of the funds received under subsection 4 into an account for community corrections purposes. [PL 2015, c. 335, §23 (NEW).]

C. Before distributing to a county that county's entire distribution under this section, the department shall require that county to submit appropriate documentation verifying that the county expended 30% of its prior distribution for the purpose of community corrections as required by this section. [PL 2015, c. 436, §11 (AMD).]

D. If a county fails to submit appropriate documentation verifying that the county expended 30% of its prior distribution for the purpose of community corrections under paragraph C, the department shall distribute to that county only 80% of its distribution. The department shall hold in escrow the 20% not distributed to a county to give the county jail an opportunity to comply with the requirement that 30% of the total distribution be used for community corrections purposes and qualify for disbursement of the withheld funds. [PL 2015, c. 335, §23 (NEW).]

[PL 2015, c. 436, §11 (AMD).]

2-A. Pretrial release or conditional release programs. Using community corrections funds distributed under this section, each county shall provide a program, directly or through contract with an organization, to supervise defendants subject to a pretrial release condition imposed pursuant to Title 15, section 1026, subsection 3, paragraph A, subparagraph (1) and such requirements as may be established by rule or order of the Supreme Judicial Court.

[PL 2015, c. 436, §12 (NEW).]

3. Prisoner support. The fund must be used to provide a portion of the counties' costs of the support of prisoners detained or sentenced to county jails. The following provisions apply to prisoner support funding.

A. Up to 70% of the funds distributed to a county under this section may be used for the purpose of support of prisoners detained or sentenced to county jails and for such other jail operations and correctional services purposes as the sheriff determines to be appropriate. [PL 2015, c. 335, §23 (NEW).]

B. The county treasurer shall deposit 70% of the funds received under subsection 4 into an account for prisoner support, jail operations and correctional services purposes. [PL 2015, c. 335, §23 (NEW).]

[PL 2015, c. 335, §23 (NEW).]

4. Formula; distribution. The department shall establish by rule a formula for the distribution of funds from the fund to the counties for jail operations. Beginning July 1, 2015 and annually thereafter, the department shall distribute to the counties from the fund amounts based on the formula. The formula must be based on the most recent fiscal year for which data is available and must:

A. Take into consideration total statewide county jail prisoner days for all jails; [PL 2015, c. 335, §23 (NEW).]

B. Take into consideration and assign to a jail the number of county jail prisoner days attributable to each prisoner who was charged with committing a crime in that county or was committed to the custody of or detained by the sheriff of that county; [PL 2015, c. 335, §23 (NEW).]

C. Determine the proportion of statewide county jail prisoner days attributable to each county; [PL 2015, c. 335, §23 (NEW).]

D. Determine the per diem per prisoner reimbursement amount; and [PL 2015, c. 335, §23 (NEW).]

E. Determine the reimbursement amount for each county based on the county's proportion of statewide county jail prisoner days multiplied by the per diem per prisoner rate. [PL 2015, c. 335, §23 (NEW).]

Rules adopted pursuant to this subsection are routine technical rules as defined in Title 5, chapter 375, subchapter 2-A.

5. Surcharge imposed. In addition to the 14% surcharge collected pursuant to Title 4, section 1057, an additional 1% surcharge must be added to every fine, forfeiture or penalty imposed by any court in this State, which, for the purposes of collection and collection procedures, is considered a part of the fine, forfeiture or penalty. §1406. Authority to review financial records of counties as those records relate to corrections

1. County jail records. Notwithstanding any other provision of law to the contrary, the commissioner may inspect, review and take custody of records of the counties as those records relate to the funding and operation of the county jails. Upon the request of the commissioner, a county jail within 15 days of the request shall supply complete and accurate information. The commissioner shall work with the jails to assist them in achieving compliance with the requirements of this subsection. The commissioner shall enforce the standards of this subsection by imposition of monetary penalties pursuant to policies and procedures under section 1208-B, subsection 1, paragraph B. This subsection must be liberally construed to effect the purpose of this section.

[PL 2017, c. 284, Pt. SSSSS, §1 (NEW).]

2. Violation. A state government agency or local government entity whose officer or employee violates subsection 1 commits a civil violation for which a fine of not more than \$5,000 may be adjudged.

[PL 2017, c. 284, Pt. SSSSS, §1 (NEW).]

3. Appeal. If the commissioner is aggrieved by a refusal or denial to inspect or copy a record or a failure to allow the inspection or copying of a record under this section, the commissioner may appeal the refusal, denial or failure within 30 calendar days of the receipt of the written notice of refusal, denial or failure to the Superior Court for the county where the person refusing, failing or denying the inspection or copying resides or the agency employing that person has its principal office. The agency or official shall file a statement of position explaining the basis for denial within 14 calendar days of service of the appeal. If a court, after a review, and taking of testimony and other evidence as determined necessary, determines the refusal, denial or failure was not for just and proper cause, the court shall enter an order for disclosure. Appeals may be advanced on the docket and receive priority over other cases when the court determines that the interests of justice so require.

[PL 2017, c. 284, Pt. SSSSS, §1 (NEW).]

4. Proceedings not exclusive. The proceedings authorized by this section are not exclusive of any other civil remedy provided by law.

5. Attorney's fees. In an appeal under subsection 3 or another civil proceeding, the court may award reasonable attorney's fees and litigation expenses to the substantially prevailing plaintiff who appealed pursuant to subsection 3 or in another civil proceeding if the court determines that the illegal action was committed in bad faith. Attorney's fees and litigation costs may not be awarded to or against a federally recognized Indian tribe.

[PL 2017, c. 284, Pt. SSSSS, §1 (NEW).]

6. Subpoena power. The commissioner may, in connection with the performance of the commissioner's duties, apply to the Superior Court for a subpoena to compel the attendance of witnesses and the production of books, papers, records and documents of individuals, firms, associations and corporations and all officers, boards, commissions and departments of county government. The court, before issuing the subpoena, shall provide adequate opportunity for the commissioner and the party against whom the subpoena is requested to be heard. The court may issue the subpoena only on a showing by the commissioner and specific findings of fact by the court that the attendance of the witness or the production of the books, papers, records or documents is reasonably necessary to carry out specific duties of the commissioner that are related to the operations and finances of the county jails and that the commissioner has made reasonable efforts to secure the attendance or the books, papers, records or documents without recourse to compulsory process.

A. A person who is 17 years of age or older is guilty of interference with a rehabilitative program or furlough if the person willfully obstructs, intimidates or otherwise abets any client participating in a program, or on furlough, under this section, and thereby contributes or causes the client to violate the terms of the client's program participation or furlough, after having been warned by the chief administrative officer of the facility to end the relationship or association with the client. [PL 2019, c. 396, §1 (NEW).]

4. Transfer. §3039. Clients' money

When any client confined in a correctional or detention facility receives money from any source, including compensation for work authorized under other sections of Maine law or by a policy of the department, the money must be deposited in the department's general client account or, as provided in subsection 4, in the department's telephone call account. Money deposited in either account must be credited to the client receiving it. [PL 2005, c. 506, §7 (AMD).]

1. General client account. The commissioner shall adopt rules for use of the general client account. These rules must include a provision allowing a client to remove that client's money from the general client account and place it in any type of investment outside the facility chosen by the client. The commissioner shall keep a record of all money in the general client account and is responsible for safekeeping of the client's money while the client is in the custody of the department and for the delivery

of that money to the client, subject to any collections provided for by statute or rule, upon the client's discharge or transfer to supervised community confinement or community reintegration status.

Any interest accruing as a result of the deposit of money in the general client account may, after first being used to defray expenses of the account, be expended by the commissioner for the general welfare of clients confined in the department's correctional and detention facilities in accordance with rules adopted by the commissioner.

[PL 2005, c. 506, §7 (AMD).]

3. Use. During the client's confinement, any client may use that client's money in the general client account by authorizing the commissioner to disburse the money in accordance with the rules governing the general client account.

[PL 2005, c. 506, §7 (AMD).]

4. Telephone call account. The commissioner may establish a telephone call account for the sole purpose of paying for use of the department's client telephone system and into which money received by clients may be deposited. Money received by a client and clearly designated by the sender for paying for telephone calls must be directly deposited into the telephone call account. In addition, a client may remove the client's money from the general client account and deposit it into the telephone call account. Once deposited into the telephone call account, the client may use the money only for paying for the client's telephone calls. Any money received by a client and not used for paying for the client's telephone calls must be transferred from the telephone call account to the department's general client account at the time of the client's discharge or transfer to supervised community confinement or community reintegration status and is subject to any collections provided for by statute or rule prior to delivery to the client. The commissioner shall keep a record of all money in the telephone call account and is responsible for safekeeping of the client's money while the client is in the custody of the department and for the transfer of that money to the general client account and delivery to the client as set out in this section.

Upon the written request of a parent, legal guardian or legal custodian, the chief administrative officer of the correctional facility where the prisoner is incarcerated shall collect and disburse to the parent, legal guardian or legal custodian that portion of the prisoner's money to be paid for the support of the dependent child. The ex parte order and the application for the ex parte order, the proceeding, any record of the proceeding and all notes, exhibits and other evidence are confidential. The commissioner may transfer from a jail to a correctional facility an adult inmate who the chief administrative officer of the Riverview Psychiatric Center confirms is eligible for admission to a state mental health institute under Title 34-B, section 3863, but for whom no suitable bed is available, for the purpose of providing to the inmate mental health services in a mental health unit of a correctional facility that provides intensive mental health care and treatment. The commissioner may not transfer pursuant to this section a person who has been found not criminally responsible by reason of insanity. The commissioner may return an inmate transferred pursuant to this subsection back to the sending facility.

[PL 2013, c. 434, §5 (NEW).]

2. Evaluation. The commissioner may transfer from a jail to a correctional facility an adult inmate whom the court orders to be examined or further evaluated by the State Forensic Service under Title 15, section 101-D, subsection 1, 2, 3 or 9 if the State Forensic Service determines that the jail where the inmate is incarcerated cannot provide an appropriate setting for the examination but that a mental health unit in a correctional facility can provide an appropriate setting for the examination. The commissioner shall return an inmate transferred pursuant to this subsection back to the sending facility upon the completion of the examination ordered, including any further evaluation ordered, unless the commissioner transferred the inmate for another reason in addition to the examination.

[PL 2013, c. 434, §5 (NEW).]

The commissioner may accept the placement of an adult defendant in a mental health unit of a correctional facility that provides intensive mental health care and treatment for observation whom a court commits to the custody of the Commissioner of Health and Human Services under Title 15, section 101-D, subsection 4 if, in addition to the findings required under Title 15, section 101-D, subsection 4, the court, after hearing, finds by clear and convincing evidence that:

A. The defendant is a person with mental illness and, as a result of the defendant's mental illness, the defendant poses a likelihood of serious harm to others; [PL 2013, c. 434, §6 (NEW).]

B. There is not sufficient security at a state mental health institute to address the likelihood of serious harm; and [PL 2013, c. 434, §6 (NEW).]

C. There is no other less restrictive alternative to placement in a mental health unit of a correctional facility. [PL 2013, c. 434, §6 (NEW).]

The commissioner may not accept the placement of a person who has been found not criminally responsible by reason of insanity.

For purposes of this subsection, "intensive mental health care and treatment" has the same meaning as in section 3049, subsection 1.

[PL 2013, c. 434, §6 (NEW).]

2. Termination of placement. The commissioner may terminate the placement of a defendant accepted pursuant to this section if the commissioner determines that the likelihood of serious harm posed by the defendant has decreased or the security at a state mental health institute has increased or for any other reason.

[PL 2013, c. 434, §6 (NEW).]

3. Disclosure of information. With respect to an adult defendant who has previously been hospitalized under Title 34-B, chapter 3, subchapter 4, the commissioner may make it a prerequisite to accepting placement of the defendant under this section that necessary information be disclosed to the department pursuant to Title 34-B, section 1207, subsection 1, paragraph B.

[PL 1991, c. 314, §64 (RPR); PL 2001, c. 439, Pt. G, §6 (AMD).]

2. Conditions. Placing a juvenile under observation is subject to the following conditions.

(1) The superintendent shall give full consideration to recommendations of the physician or medical staff member concerning the juvenile's dietary needs and the conditions of the juvenile's confinement required to maintain the juvenile's health. If the recommendations of the physician or medical staff member are not carried out, the superintendent shall immediately convey the reasons and circumstances for this decision to the commissioner for review and final disposition.

(2) Placement under observation must be discontinued if the superintendent on the advice of the physician determines that placement under observation is harmful to the mental or physical health of the juvenile, except that placement under observation may be continued if the behavior of the juvenile presents a high likelihood of imminent physical harm to that juvenile or others and there is no less restrictive setting in which that juvenile's safety or that of others can be ensured. If placement under observation is continued, the physician or a member of the medical staff shall visit the juvenile at least once every 12 hours. [PL 1991, c. 314, §64 (RPR).]

E. When placement under observation exceeds 24 hours, the superintendent shall direct appropriate facility staff to develop a plan for the further care of the juvenile. The plan must be revised as needed to meet the changing needs of the juvenile. [PL 1991, c. 314, §64 (RPR).]

- (2) State the reasons for that approval; and
- (3) Be kept on file. [PL 1991, c. 314, §64 (RPR).]

H. A juvenile held under observation must be under sight and sound supervision by facility staff, which must be constant if necessary to prevent imminent harm to the juvenile. [PL 1995, c. 163, §1 (AMD).]

(2) Placement under observation must be discontinued if the superintendent, on the advice of the physician, determines that placement under observation is harmful to the mental or physical health of the juvenile, except that placement under observation may be continued if the behavior of the juvenile presents a high likelihood of imminent physical harm to that juvenile or others and there is no less restrictive setting in which that juvenile's safety or that of others can be ensured. If placement under observation is continued, the physician or a member of the medical staff shall visit the juvenile at least once every 12 hours. [PL 2005, c. 488, §15 (AMD).]

E. When placement under observation exceeds 24 hours, the superintendent shall direct appropriate facility staff to develop a plan for the further care of the juvenile. The plan must be revised as needed to meet the changing needs of the juvenile. [PL 2005, c. 488, §16 (AMD).]

direct that the confinement be within an institution within the territory of said other party state, the receiving state to act in that regard solely as agent for the sending state. [PL 1983, c. 459, §6 (NEW).]

The appropriate officials of any state party to this compact shall have access, at all reasonable times, to any institution in which it has a contractual right to confine inmates for the purpose of inspecting the facilities thereof and visiting such of its inmates as may be confined in the institution. [PL 1983, c. 459, §6 (NEW).]

Inmates confined in an institution pursuant to the terms of this compact shall at all times be subject to the jurisdiction of the sending state and may at any time be removed therefrom for transfer to a prison or other institution within the sending state, for transfer to another institution in which the sending state may have a contractual or other right to confine inmates, for release on probation or parole, for discharge, or for any other purpose permitted by the laws of the sending state; provided that the sending state shall continue to be obligated to such payments as may be required pursuant to the terms of any contract entered into under the terms of Article III. §9424. Limitations

The commissioner shall carry out the provisions of this compact in accordance with the following. [PL 1983, c. 459, §6 (NEW).]

1. Juveniles excluded. For purposes of this compact, no juvenile may be considered an inmate, as defined in section 9402.

[PL 1983, c. 459, §6 (NEW).]

2. Contracts. Any contracts made with one of the other party states for the confinement of inmates in Maine may provide for cash payments for the costs of the confinement whenever the total days for inmates placed in Maine by that state exceeds by 200 the number of days for inmates placed by Maine in that state. Otherwise, all contracts shall provide for an accrual of days earned by the respective states rather than cash payments.

[PL 1983, c. 459, §6 (NEW).]

3. Inmates. The commissioner may accept an inmate for confinement in Maine if, in the opinion of the commissioner, the inmate has demonstrated ties to this State which would justify the confinement, or the inmate's confinement in this State is in the best interests of the inmate or the State of Maine.

[PL 1983, c. 459, §6 (NEW).]

4. Transportation. The commissioner may permit any inmate who may be confined in another state under the provisions of the compact to pay the costs of transportation to the receiving state.

[PL 1983, c. 459, §6 (NEW).]

5. Facilities. The commissioner may not accept any inmate under the provisions of the compact when the confinement of that inmate would cause immediately, or in the near future would be likely to cause, a need for an increase in correctional facilities in this State.

[PL 1983, c. 459, §6 (NEW).]

6. Report. The commissioner shall annually, prior to February 1st, present a report to the joint standing committee of the Legislature having jurisdiction over health and institutional services describing any actions taken under the provisions of the compact during the previous year.

SUBCHAPTER 4**INTERSTATE COMPACT ON DETAINERS****ARTICLE 1****AGREEMENT****§9601. Purpose and policy--Article I**

The party states find that charges outstanding against a prisoner, detainees based on untried indictments, informations or complaints, and difficulties in securing speedy trials of persons already incarcerated in other jurisdictions, produce uncertainties which obstruct programs of prisoner treatment and rehabilitation. Accordingly, it is the policy of the party states and the purpose of this agreement to encourage the expeditious and orderly disposition of such charges and determination of the proper status of any and all detainees based on untried indictments, informations or complaints. The party states also find that proceedings with reference to such charges and detainees, when emanating from other jurisdictions, cannot properly be had in the absence of cooperative procedures. It is the further purpose of this agreement to provide such cooperative procedures. [PL 1983, c. 459, §6 (NEW).]

SECTION HISTORY

PL 1983, c. 459, §6 (NEW).

§9602. Definitions--Article II

As used in this agreement, unless the context clearly requires otherwise, the following terms shall have the following meanings. [PL 1983, c. 459, §6 (NEW).]

1. Receiving state. "Receiving state" shall mean the state in which trial is to be had on an indictment, information or complaint pursuant to Article III or Article IV. [PL 1983, c. 459, §6 (NEW).]

2. Sending state. "Sending state" shall mean a state in which a prisoner is incarcerated at the time that he initiates a request for final disposition pursuant to Article III or at the time that a request for custody or availability is initiated pursuant to Article IV. [PL 1983, c. 459, §6 (NEW).]

3. State. "State" shall mean a state of the United States, the United States of America, a territory or possession of the United States, the District of Columbia or the Commonwealth of Puerto Rico. [PL 1983, c. 459, §6 (NEW).]

§9603. Request for final disposition--Article III

1. Trial pending. Whenever a person has entered upon a term of imprisonment in a penal or correctional institution of a party state, and whenever during the continuance of the term of imprisonment there is pending in any other party state any untried indictment, information or complaint on the basis of which a detainee has been lodged against the prisoner, the prisoner must be brought to trial within 180 days after the prisoner has caused to be delivered to the prosecuting officer and the appropriate court of the prosecuting officer's jurisdiction written notice of the place of the prisoner's imprisonment and the prisoner's request for final disposition to be made of the indictment, information or complaint, except that, for good cause shown in open court, the prisoner or the prisoner's counsel being present, the court having jurisdiction of the matter may grant any necessary or reasonable

continuance. The request of the prisoner must be accompanied by a certificate of the appropriate official having custody of the prisoner, stating the term of commitment under which the prisoner is being held, the time already served, the time remaining to be served on the sentence, the total of deductions received and retained, the time of parole eligibility of the prisoner and any decisions of the state parole agency relating to the prisoner.

[PL 2019, c. 113, Pt. C, §104 (AMD).]

2. Request for final disposition. The written notice and request for final disposition referred to in subsection 1 shall be given or sent by the prisoner to the warden, Commissioner of Corrections or other official having custody of him, who shall promptly forward it together with the certificate to the appropriate prosecuting official and court by registered or certified mail, return receipt requested.

[PL 1983, c. 459, §6 (NEW).]

3. Notification. The warden, Commissioner of Corrections or other official having custody of the prisoner shall promptly inform him of the source and contents of any detainer lodged against him and shall also inform him of his right to make a request for final disposition of the indictment, information or complaint on which the detainer is based.

[PL 1983, c. 459, §6 (NEW).]

4. Application. Any request for final disposition made by a prisoner pursuant to subsection 1 shall operate as a request for final disposition of all untried indictments, informations or complaints on the basis of which detainers have been lodged against the prisoner from the state to whose prosecuting official the request for final disposition is specifically directed. The warden, Commissioner of Corrections or other official having custody of the prisoner shall forthwith notify all appropriate prosecuting officers and courts in the several jurisdictions within the state to which the prisoner's request for final disposition is being sent of the proceeding being initiated by the prisoner. Any notification sent pursuant to this subsection shall be accompanied by copies of the prisoner's written notice, request and the certificate. If trial is not had on any indictment, information or complaint contemplated hereby prior to the return of the prisoner to the original place of imprisonment, such indictment, information or complaint shall not be of any further force or effect, and the court shall enter an order dismissing the same with prejudice.

[PL 1983, c. 459, §6 (NEW).]

5. Waiver of extradition. Any request for final disposition made by a prisoner pursuant to subsection 1 shall also be deemed to be a waiver of extradition with respect to any charge or proceeding contemplated thereby or included therein by reason of subsection 1 and a waiver of extradition to the receiving state to serve any sentence there imposed upon him, after completion of his term of imprisonment in the sending state. The request for final disposition shall also constitute a consent by the prisoner to the production of his body in any court where his presence may be required in order to effectuate the purposes of this agreement and a further consent voluntarily to be returned to the original place of imprisonment in accordance with this agreement. Nothing in this subsection shall prevent the imposition of a concurrent sentence if otherwise permitted by law.

[PL 1983, c. 459, §6 (NEW).]

6. Escape. Escape from custody by the prisoner subsequent to his execution of the request for final disposition referred to in subsection 1 shall void the request.

§9604. Temporary custody--Article IV

1. Request. The appropriate officer of the jurisdiction in which an untried indictment, information or complaint is pending shall be entitled to have a prisoner against whom he has lodged a detainer and

who is serving a term of imprisonment in any party state made available in accordance with Article V, subsection 1, upon presentation of a written request for temporary custody or availability to the appropriate authorities of the state in which the prisoner is incarcerated, provided that the court having jurisdiction of such indictment, information or complaint shall have duly approved, recorded and transmitted the request, and provided further that there shall be a period of 30 days after receipt by the appropriate authorities before the request be honored, within which period the governor of the sending state may disapprove the request for temporary custody or availability, either upon his own motion or upon motion of the prisoner.

[PL 1983, c. 459, §6 (NEW).]

2. Certificate. Upon receipt of the officer's written request as provided in subsection 1, the appropriate authorities having the prisoner in custody shall furnish the officer with a certificate stating the term of commitment under which the prisoner is being held, the time already served, the time remaining to be served on the sentence, the total of deductions received and retained, the time of parole eligibility of the prisoner and any decisions of the state parole agency relating to the prisoner. Said authorities simultaneously shall furnish all other officers and appropriate courts in the receiving state who have lodged detainers against the prisoner with similar certificates and with notices informing them of the request for custody or availability and of the reasons therefor.

[PL 2019, c. 113, Pt. C, §105 (AMD).]

3. Time of trial. In respect of any proceeding made possible by this Article, trial shall be commenced within 120 days of the arrival of the prisoner in the receiving state, but, for good cause shown in open court, the prisoner or his counsel being present, the court having jurisdiction of the matter may grant any necessary or reasonable continuance.

[PL 1983, c. 459, §6 (NEW).]

4. Legality of delivery. Nothing contained in this Article shall be construed to deprive any prisoner of any right which he may have to contest the legality of his delivery as provided in subsection 1, but such delivery may not be opposed or denied on the ground that the executive authority of the sending state has not affirmatively consented to or ordered such delivery.

[PL 1983, c. 459, §6 (NEW).]

5. Order dismissing. If trial is not had on any indictment, information or complaint contemplated hereby prior to the prisoner's being returned to the original place of imprisonment pursuant to Article V, subsection 5, such indictment, information or complaint shall not be of any further force or effect, and the court shall enter an order dismissing the same with prejudice.

§9605. Delivery--Article V

1. Request. In response to a request made under Article III or Article IV, the appropriate authority in a sending state shall offer to deliver temporary custody of such prisoner to the appropriate authority in the state where such indictment, information or complaint is pending against such person in order that speedy and efficient prosecution may be had. If the request for final disposition is made by the prisoner, the offer of temporary custody shall accompany the written notice provided for in Article III. In the case of a federal prisoner, the appropriate authority in the receiving state shall be entitled to temporary custody as provided by this agreement or to the prisoner's presence in federal custody at the place for trial, whichever custodial arrangement may be approved by the custodian.

[PL 1983, c. 459, §6 (NEW).]

2. Identification; copy of indictment. The officer or other representative of a state accepting an offer of temporary custody shall present the following upon demand:

A. Proper identification and evidence of his authority to act for the state into whose temporary custody the prisoner is to be given; and [PL 1983, c. 459, §6 (NEW).]

B. A duly certified copy of the indictment, information or complaint on the basis of which the detainer has been lodged and on the basis of which the request for temporary custody of the prisoner has been made. [PL 1983, c. 459, §6 (NEW).]
[PL 1983, c. 459, §6 (NEW).]

3. Dismissed. If the appropriate authority shall refuse or fail to accept temporary custody of said person, or in the event that an action on the indictment, information or complaint on the basis of which the detainer has been lodged is not brought to trial within the period provided in Article III or Article IV, the appropriate court of the jurisdiction where the indictment, information or complaint has been pending shall enter an order dismissing the same with prejudice, and any detainer based thereon shall cease to be of any force or effect.
[PL 1983, c. 459, §6 (NEW).]

4. Purpose. The temporary custody referred to in this agreement shall be only for the purpose of permitting prosecution on the charge or charges contained in one or more untried indictments, informations or complaints which form the basis of the detainer or detainers or for prosecution on any other charge or charges arising out of the same transaction. Except for his attendance at court and while being transported to or from any place at which his presence may be required, the prisoner shall be held in a suitable jail or other facility regularly used for persons awaiting prosecution.
[PL 1983, c. 459, §6 (NEW).]

5. Return. At the earliest practicable time consonant with the purposes of this agreement, the prisoner shall be returned to the sending state.
[PL 1983, c. 459, §6 (NEW).]

6. Time on sentence. During the continuance of temporary custody or while the prisoner is otherwise being made available for trial as required by this agreement, time being served on the sentence continues to run, but deductions for good behavior and program participation are earned by the prisoner only if, and to the extent that, the law and practice of the jurisdiction that imposed the sentence allow.
[PL 2019, c. 113, Pt. C, §106 (AMD).]

7. Escape. For all purposes other than that for which temporary custody as provided in this agreement is exercised, the prisoner shall be deemed to remain in the custody of and subject to the jurisdiction of the sending state and any escape from temporary custody may be dealt with in the same manner as an escape from the original place of imprisonment or in any other manner permitted by law.
[PL 1983, c. 459, §6 (NEW).]

8. Responsibility; costs. From the time that a party state receives custody of a prisoner pursuant to this agreement until such prisoner is returned to the territory and custody of the sending state, the state in which the one or more untried indictments, informations or complaints are pending or in which trial is being had shall be responsible for the prisoner and shall also pay all costs of transporting, caring for, keeping and returning the prisoner. This subsection shall govern unless the states concerned shall have entered into a supplementary agreement providing for a different allocation of costs and responsibilities as between or among themselves. Nothing in this subsection shall be construed to alter or affect any internal relationship among the departments, agencies and officers of and in the government of a party state, or between a party state and its subdivisions, as to the payment of costs, or responsibilities therefor.

§9882. Withdrawal, default, termination and judicial enforcement--Article 12

1. Withdrawal. Once effective, the compact continues in force and remains binding upon each compacting state. A compacting state may withdraw from the compact by enacting a statute specifically repealing the statute that enacted the compact into law. The effective date of withdrawal is the effective date of the repeal of the compact. The withdrawing state shall immediately notify the chair of the interstate commission in writing upon the introduction of legislation repealing this compact in the withdrawing state. The interstate commission shall notify the other compacting states of the withdrawing state's intent to withdraw within 60 days of its receipt of the withdrawal notice. The withdrawing state is responsible for all assessments, obligations and liabilities incurred through the effective date of withdrawal, including any obligations the performance of which extends beyond the effective date of withdrawal. Reinstatement following withdrawal of any compacting state occurs on the withdrawing state's reenactment of the compact or upon a later date determined by the interstate commission.

[PL 2003, c. 495, §1 (NEW).]

2. Default. If the interstate commission determines that any compacting state has at any time defaulted in the performance of any of its obligations or responsibilities under this compact, the bylaws or any duly promulgated rules, the interstate commission may impose any or all of the following penalties:

A. Fines, fees and costs in such amounts as are determined to be reasonable as fixed by the interstate commission; [PL 2003, c. 495, §1 (NEW).]

B. Remedial training and technical assistance as directed by the interstate commission; and [PL 2003, c. 495, §1 (NEW).]

C. Suspension and termination of membership in the compact. Suspension is imposed only after all other reasonable means of securing compliance under the bylaws and rules have been exhausted. Immediate notice of suspension must be given by the interstate commission to the governor, the chief justice or chief judicial officer of the state; the majority and minority leaders of the defaulting state's legislature; and the state council. The grounds for default include, but are not limited to, failure of a compacting state to perform the obligations or responsibilities imposed upon it by this compact, interstate commission bylaws or duly promulgated rules. The interstate commission shall immediately notify the defaulting state in writing of the penalty imposed by the interstate commission on the defaulting state pending a resolution of the default. The interstate commission shall stipulate the conditions and the time period within which the defaulting state shall resolve its default. If the defaulting state fails to resolve the default within the time period specified by the interstate commission, in addition to any other penalties imposed in this section the defaulting state may be terminated from the compact upon an affirmative vote of a majority of the compacting states and all rights, privileges and benefits conferred by this compact are terminated from the effective date of suspension.

Within 60 days of the effective date of termination of a defaulting state, the interstate commission shall notify the governor, the chief justice or chief judicial officer; the majority and minority leaders of the defaulting state's legislature; and the state council of such termination.

The defaulting state is responsible for all assessments, obligations and liabilities incurred through the effective date of termination, including any obligations the performance of which extends beyond the effective date of termination.

The interstate commission may not bear any costs relating to the defaulting state unless otherwise mutually agreed upon between the interstate commission and the defaulting state.

Reinstatement following termination of any compacting state requires both a reenactment of the compact by the defaulting state's legislature and the approval of the interstate commission pursuant to the rules. [PL 2003, c. 495, §1 (NEW).]

[PL 2003, c. 495, §1 (NEW).]

3. Judicial enforcement. The interstate commission may, by majority vote of the members, initiate legal action in the United States District Court for the District of Columbia or, at the discretion of the interstate commission, in the federal district court where the interstate commission has its offices to enforce compliance with the provisions of the compact, its duly promulgated rules and its bylaws against any compacting state in default. In the event judicial enforcement is necessary, the prevailing party must be awarded all costs of such litigation, including reasonable attorney's fees.

[PL 2003, c. 495, §1 (NEW).]

4. Dissolution of compact. The compact dissolves upon the date of the withdrawal or default of the compacting state that reduces membership in the compact to one compacting state. Upon the dissolution of this compact, the compact becomes void and has no further effect. The business and affairs of the interstate commission must be wound up and surplus funds must be distributed in accordance with the bylaws.

§9884. Binding effect of compact and other laws--Article 14

1. Other laws. This compact does not prevent the enforcement of any other law of a compacting state that is not inconsistent with this compact. All compacting states' laws conflicting with this compact are superseded to the extent of the conflict.

[PL 2003, c. 495, §1 (NEW).]

2. Binding effect of compact. All lawful actions of the interstate commission, including all rules and bylaws promulgated by the interstate commission, are binding upon the compacting states. All agreements between the interstate commission and the compacting states are binding in accordance with their terms.

Upon the request of a party to a conflict over meaning or interpretation of interstate commission actions, and upon a majority vote of the compacting states, the interstate commission may issue advisory opinions regarding such meaning or interpretation.

If a provision of this compact exceeds the constitutional limits imposed on the legislature of any compacting state, the obligations, duties, powers or jurisdiction to be conferred by such provision upon the interstate commission are ineffective. The obligations, duties, powers or jurisdiction remain in the compacting state and are exercised by the agency of the compacting states to which the obligations, duties, powers or jurisdiction are delegated by law in effect at the time this compact becomes effective.

§9908. Finance -- Article 8

1. Expenses. The interstate commission shall pay or provide for the payment of the reasonable expenses of its establishment, organization and ongoing activities.

[PL 2003, c. 500, §1 (NEW).]

2. Assessment. The interstate commission shall levy and collect an annual assessment from each compacting state to cover the cost of the internal operations and activities of the interstate commission and its staff, which must be sufficient to cover the interstate commission's annual budget as approved each year. The aggregate annual assessment amount must be allocated based upon a formula to be determined by the interstate commission, taking into consideration the population of each compacting state and the volume of interstate movement of juveniles in each compacting state and shall promulgate a rule binding upon all compacting states that governs the assessment.

[PL 2003, c. 500, §1 (NEW).]

3. Obligations. The interstate commission may not incur any obligations of any kind prior to securing the funds adequate to meet the same obligations, nor may the interstate commission pledge the credit of any of the compacting states, except by and with the authority of the compacting state.

[PL 2003, c. 500, §1 (NEW).]

4. Accounts. The interstate commission shall keep accurate accounts of all receipts and disbursements. The receipts and disbursements of the interstate commission are subject to the audit and accounting procedures established under its bylaws. All receipts and disbursements of funds handled by the interstate commission must be audited yearly by a certified or licensed public accountant and the report of the audit must be included in and become part of the annual report of the interstate commission.

§9909. State council -- Article 9

Each compacting state shall create a state council for interstate juvenile supervision. While each state may determine the membership of its own state council, its membership must include at least one representative from the legislative, judicial and executive branches of government; victims groups; and the compact administrator or the compact administrator's designee. Each compacting state retains the right to determine the qualifications of the compact administrator or deputy compact administrator. Each state council shall advise and may exercise oversight and advocacy concerning that state's participation in interstate commission activities and other duties as may be determined by that state, including, but not limited to, development of policy concerning operations and procedures of the compact within that state. §9910. Compacting state; effective date; amendment -- Article 10

1. Eligibility. Any state, as defined in section 9902, is eligible to become a compacting state. [PL 2003, c. 500, §1 (NEW).]

2. Effective date. The compact becomes effective and binding upon enactment of the compact into law by no fewer than 35 of the states. The initial effective date is July 1, 2004 or upon enactment into law by the 35th state, whichever is later. After the initial effective date, the compact becomes effective and binding as to any other compacting state, upon enactment of the compact into law by that state. The governors of nonmember states or their designees will be invited to participate in the activities of the interstate commission on a nonvoting basis prior to adoption of the compact by all states and territories of the United States.

[PL 2003, c. 500, §1 (NEW).]

3. Amendment. The interstate commission may propose amendments to the compact for enactment by the compacting states. An amendment does not become effective and binding upon the interstate commission and the compacting states unless and until it is enacted into law by unanimous consent of the compacting states.

[PL 2003, c. 500, §1 (NEW).]

SECTION HISTORY

PL 2003, c. 500, §1 (NEW).

§9911. Withdrawal, default, termination and judicial enforcement -- Article 11

1. Withdrawal. Once effective, the compact continues in force and remains binding upon each compacting state. A compacting state may withdraw from the compact by enacting a statute specifically repealing the statute that enacted the compact. The effective date of withdrawal is the effective date of the repeal of the compact. The withdrawing state shall immediately notify the chair of the interstate commission in writing upon the introduction of legislation repealing this compact in the withdrawing state. The interstate commission shall notify the other compacting states of the withdrawing state's intent to withdraw within 60 days of its receipt of the withdrawal notice. The withdrawing state is responsible for all assessments, obligations and liabilities incurred through the effective date of withdrawal, including any obligations, the performance of which extends beyond the effective date of withdrawal. Reinstatement following withdrawal of any compacting state occurs on the withdrawing state's reenactment of the compact or upon a later date determined by the interstate commission.

[PL 2003, c. 500, §1 (NEW).]

2. Default. If the interstate commission determines that any compacting state has at any time defaulted in the performance of any of its obligations or responsibilities under this compact, the bylaws or any duly promulgated rules, the interstate commission may impose any or all of the following penalties:

A. Remedial training and technical assistance as directed by the interstate commission; [PL 2003, c. 500, §1 (NEW).]

B. Alternative dispute resolution; [PL 2003, c. 500, §1 (NEW).]

C. Fines, fees and costs in such amounts as are determined to be reasonable as fixed by the interstate commission; and [PL 2003, c. 500, §1 (NEW).]

D. Suspension or termination of membership in the compact. Suspension is imposed only after all other reasonable means of securing compliance under the bylaws and rules have been exhausted and the interstate commission has determined that the offending state is in default. Immediate notice of suspension must be given by the interstate commission to the governor, the chief justice or the chief judicial officer of the state, the majority and minority leaders of the defaulting state's legislature and the state council. The grounds for default include, but are not limited to, failure of a compacting state to perform the obligations or responsibilities imposed upon it by this compact, the bylaws or duly promulgated rules. The interstate commission shall immediately notify the defaulting state in writing of the penalty imposed by the interstate commission on the defaulting state pending a resolution of the default. The interstate commission shall stipulate the conditions and the time period within which the defaulting state shall resolve its default. If the defaulting state fails to resolve the default within the time period specified by the interstate commission, the defaulting state may be terminated from the compact upon an affirmative vote of a majority of the compacting states and all rights, privileges and benefits conferred by this compact are terminated from the effective date of termination.

Within 60 days of the effective date of termination of a defaulting state, the interstate commission shall notify the governor, the chief justice or chief judicial officer, the majority and minority leaders of the defaulting state's legislature and the state council of such termination.

The defaulting state is responsible for all assessments, obligations and liabilities incurred through the effective date of termination including any obligations, the performance of which extends beyond the effective date of termination.

The interstate commission may not bear any costs relating to the defaulting state unless otherwise mutually agreed upon in writing between the interstate commission and the defaulting state.

Reinstatement following termination of any compacting state requires both a reenactment of the compact by the defaulting state's legislature and the approval of the interstate commission pursuant to the rules. [PL 2003, c. 500, §1 (NEW).]

[PL 2003, c. 500, §1 (NEW).]

3. Judicial enforcement. The interstate commission may, by majority vote of the members, initiate legal action in the United States District Court for the District of Columbia or, at the discretion of the interstate commission, in the federal district where the interstate commission has its offices to enforce compliance with the provisions of the compact, its duly promulgated rules and bylaws against any compacting state in default. In the event judicial enforcement is necessary, the prevailing party must be awarded all costs of such litigation including reasonable attorney's fees.

[PL 2003, c. 500, §1 (NEW).]

4. Dissolution of compact. The compact dissolves upon the date of the withdrawal or default of the compacting state that reduces membership in the compact to one compacting state. Upon the

dissolution of this compact, the compact becomes void and has no further force or effect. The business and affairs of the interstate commission must be concluded and surplus funds must be distributed in accordance with the bylaws.

[PL 2003, c. 500, §1 (NEW).]

SECTION HISTORY

PL 2003, c. 500, §1 (NEW).

§9912. Severability and construction -- Article 12

The provisions of this compact are severable, and if any phrase, clause, sentence or provision is deemed unenforceable, the remaining provisions of the compact are enforceable. The provisions of this compact are liberally constructed to effectuate its purposes. [PL 2003, c. 500, §1 (NEW).]

SECTION HISTORY

PL 2003, c. 500, §1 (NEW).

§9913. Binding effect of compact and other laws -- Article 13

1. Other laws. This compact does not prevent the enforcement of any other law of a compacting state that is not inconsistent with this compact. All compacting states' laws, other than state constitutions and other interstate compacts, conflicting with this compact are superseded to the extent of the conflict.

[PL 2003, c. 500, §1 (NEW).]

2. Binding effect of compact. All lawful actions of the interstate commission, including all rules and bylaws promulgated by the interstate commission, are binding upon the compacting states. All agreements between the interstate commission and the compacting states are binding in accordance with their terms.

Upon the request of a party to a conflict over meaning or interpretation of interstate commission actions, and upon a majority vote of the compacting states, the interstate commission may issue advisory opinions regarding such meaning or interpretation.

If a provision of this compact exceeds the constitutional limits imposed on the legislature of any compacting state, the obligations, duties, powers or jurisdiction to be conferred by such provision upon the interstate commission is ineffective. The obligations, duties, powers or jurisdiction remains in the compacting state and is exercised by the agency of the compacting state to which the obligations, duties, powers or jurisdiction is delegated by law in effect at the time this compact becomes effective.

§11225. Duration of registration

(REPEALED)

SECTION HISTORY

PL 1999, c. 437, §2 (NEW). PL 2001, c. 439, §00012 (AMD). PL 2001, c. 553, §§7,8 (AMD). PL 2003, c. 711, §C23 (AMD). PL 2003, c. 711, §D2 (AFF). PL 2005, c. 423, §21 (RP).

§11225-A. Duration of registration

1. Ten-year registrant convicted and sentenced in State. The following provisions apply to a 10-year registrant convicted and sentenced in this State.

A. [PL 2009, c. 570, §5 (RP).]

B. A 10-year registrant sentenced in this State shall register for a period of 10 years. The 10-year period is calculated as follows.

(1) If the 10-year registrant was sentenced prior to September 18, 1999 to a wholly suspended sentence with probation or administrative release or to a punishment alternative not involving imprisonment, the 10-year period is treated as having begun at the time the person commenced an actual execution of the wholly suspended sentence or at the time of sentence imposition when no punishment alternative involving imprisonment was imposed, unless the court ordered a stay of execution, in which event the 10-year period is treated as having begun at the termination of the stay.

(2) If the 10-year registrant was sentenced prior to September 18, 1999 to a straight term of imprisonment or to a split sentence, the 10-year period is treated as having begun at the time of discharge or conditional release.

(3) If the 10-year registrant was committed under Title 15, section 103 prior to September 18, 1999, the 10-year period is treated as having begun at the time of discharge or conditional release under Title 15, section 104-A.

(4) If the 10-year registrant was sentenced prior to September 18, 1999 and the person's duty to register has not yet been triggered, the 10-year period commences upon registration by the person in compliance with section 11222, subsection 1-A, paragraph A, B or C.

(5) If the 10-year registrant was sentenced on or after September 18, 1999, the 10-year period commences from the date the person in fact initially registers once the legal duty to register arises under section 11222. [PL 2015, c. 280, §7 (AMD).]

[PL 2015, c. 280, §7 (AMD).]

2. Ten-year registrant convicted and sentenced in another jurisdiction. The following provisions apply to a 10-year registrant convicted and sentenced in another jurisdiction and required to register in this State pursuant to section 11223, section 11224 or both.

A. A 10-year registrant shall register in this State for a period of 10 years if, pursuant to the other jurisdiction's sex offender registration statute, the registration period is for a period of years rather than for a lifetime. The 10-year period commences from the date the person in fact initially registers in this State once the legal duty to register arises under section 11223, section 11224 or both. However, the 10-year registrant may receive day-for-day credit for the time actually registered pursuant to the other jurisdiction's sex offender registration statutes prior to registering in this State upon applying to the bureau for credit. The bureau may grant credit if the registrant provides sufficient documentation in accordance with any rules adopted by the bureau. [PL 2005, c. 423, §22 (NEW).]

B. A 10-year registrant shall register for a period of 10 years if registration was not required in that other jurisdiction and the person was sentenced on or after January 1, 1982 in that jurisdiction for a crime that includes the essential elements of a sex offense. The 10-year period is calculated by applying subsection 1, paragraph B, subparagraphs (1) to (4) but interpreted and applied to take into account substantially similar sentencing alternatives imposed in the other jurisdiction. [PL 2005, c. 423, §22 (NEW).]

[PL 2005, c. 423, §22 (NEW).]

3. Lifetime registrant convicted and sentenced in this State. A lifetime registrant sentenced on or after January 1, 1982 in this State shall register for the duration of that registrant's life.

[PL 2005, c. 423, §22 (NEW).]

4. Lifetime registrant convicted and sentenced in another jurisdiction. The following provisions apply to a lifetime registrant convicted and sentenced in another jurisdiction and required to register in this State pursuant to section 11223, section 11224 or both.

A. A person shall register in this State for the duration of that person's life if, pursuant to that other jurisdiction's sex offender registration statute, the registration period is for a lifetime. [PL 2005, c. 423, §22 (NEW).]

B. A person shall register in this State for the duration of that person's life if no registration was required in that other jurisdiction and the person was sentenced on or after January 1, 1982 in that jurisdiction for a crime that includes the essential elements of a sexually violent offense or the person has 2 or more prior convictions in that or any other jurisdiction for an offense or for an attempted offense that includes the essential elements of a sex offense or a sexually violent offense. [PL 2005, c. 423, §22 (NEW).]

[PL 2005, c. 423, §22 (NEW).]

5. Suspending verifications. Notwithstanding subsections 1 and 3, the bureau, pursuant to any rules the bureau may adopt, may suspend the requirement that the 10-year registrant or lifetime registrant verify registration information during any period in which the 10-year registrant or lifetime registrant:

A. Leaves this State, establishes a domicile or residence in another state and remains physically absent from this State; [PL 2015, c. 280, §8 (NEW).]

B. Is incarcerated; or [PL 2015, c. 280, §8 (NEW).]

C. Is incapacitated or hospitalized. [PL 2015, c. 280, §8 (NEW).]

[PL 2015, c. 280, §8 (RPR).]

6. Relief from duty to register. The following provisions apply to an offender's, a 10-year registrant's or a lifetime registrant's duty to register.

A. An offender's or a 10-year registrant's duty to register for a period of 10 years pursuant to subsection 2 is not required if the circumstances triggering the registration requirements under section 11223, section 11224 or both no longer exist. [PL 2009, c. 365, Pt. B, §18 (AMD); PL 2009, c. 365, Pt. B, §22 (AFF).]

B. An offender's or a lifetime registrant's duty to register for the duration of that person's life pursuant to subsection 4 is not required if the circumstances triggering the registration requirements under section 11223, section 11224 or both no longer exist. [PL 2009, c. 365, Pt. B, §18 (AMD); PL 2009, c. 365, Pt. B, §22 (AFF).]

C. If the underlying conviction in this State or in another jurisdiction that triggers the registration requirement is reversed, vacated or set aside, or if the offender or registrant is pardoned for the crime, registration is no longer required. [PL 2009, c. 365, Pt. B, §19 (AMD); PL 2009, c. 365, Pt. B, §22 (AFF).]

7. Permissible inference. §11282. Duty of offender to register

1. Notification by court, department, bureau or law enforcement agency. An offender has a duty to register under this chapter after notification has been given to the offender by a court of jurisdiction, the department, the bureau or a law enforcement agency. The court shall notify the offender at the time of sentence of the duty to register pursuant to this chapter. Notification of the duty to register under this chapter also may be given to the offender at any time after the imposition of sentence.

At any time, the bureau may correct the term of a registration erroneously assigned to an offender or registrant. In such instances, the bureau shall notify the offender or registrant, the district attorney and the court in the jurisdiction where the conviction occurred and the law enforcement agency having jurisdiction where the offender or registrant is domiciled, resides, is employed or attends college or school, if applicable.

[PL 2011, c. 663, §3 (NEW).]

2. When duty to register must be exercised. Following notification by a court, the department, the bureau or a law enforcement agency under subsection 1, an offender shall register as follows.

A. If the offender is sentenced to a wholly suspended sentence with probation or administrative release, or to a punishment alternative not involving imprisonment, the duty to register is triggered

at the time the person commences in actual execution of the wholly suspended sentence or at the time of sentence imposition when no punishment alternative involving imprisonment is imposed, unless the court orders a stay of execution, in which event the duty is triggered by the termination of the stay. [PL 2011, c. 663, §3 (NEW).]

B. If the offender is sentenced to a straight term of imprisonment or to a split sentence, the duty to register is triggered by discharge or conditional release. [PL 2011, c. 663, §3 (NEW).]

E. Proof that the name and date of birth of the person notified of the duty to register pursuant to this chapter are the same as those of a person who has been found not guilty by reason of insanity or convicted of an offense requiring registration pursuant to this chapter gives rise to a permissible inference under the Maine Rules of Evidence, Rule 303 that the person notified of the duty to register is the same person as that person convicted of the offense requiring registration. [PL 2011, c. 663, §3 (NEW).]

[PL 2011, c. 663, §3 (NEW).]

3. Duty to notify law enforcement agency. An offender shall notify the law enforcement agency having jurisdiction in those areas where the offender is domiciled, resides, works or attends school within 24 hours of becoming a domiciliary or a resident or beginning work or attending school. If the location is a municipality with an organized municipal police department, the law enforcement agency having jurisdiction is the municipal police department. If the location is a school having an organized police department, the law enforcement agency having jurisdiction is the campus police department. If the location is neither a municipality nor a school with an organized police department, the law enforcement agency having jurisdiction is the sheriff's department.

D. Inform the offender that if that offender changes domicile to another jurisdiction, the offender shall register the new address with the bureau and if the new jurisdiction has a registration requirement, the offender shall register with a designated law enforcement agency in the new state not later than 3 days after establishing domicile in the new state; [PL 2011, c. 663, §3 (NEW).]

E. Inform the offender that if that offender has part-time or full-time employment in another state, with or without compensation, for more than 14 consecutive days or for an aggregate period

exceeding 30 days in a calendar year or if that offender enrolls in any type of school in another state on a part-time or full-time basis, the offender shall give the bureau the offender's place of employment or school to be attended in writing within 3 days after beginning work or attending school and if the other state has a registration requirement, shall register with the designated law enforcement agency in the other state; [PL 2011, c. 663, §3 (NEW).]

[PL 2011, c. 663, §3 (NEW).]

5. Transfer of initial registration information to bureau and FBI. The department, county jail, state mental health institute or court within 3 days of receipt of the information described in subsection 4 shall forward the information to the bureau. If the court orders the offender to submit to the taking of fingerprints and a photograph at a specified law enforcement agency, the law enforcement agency shall submit the fingerprints and photograph to the bureau within 3 days. The bureau shall immediately enter the information into the registration system, notify the law enforcement agencies having jurisdiction where the offender expects to be domiciled and reside and transmit the information to the FBI for inclusion in the national FBI sex offender database.

[PL 2011, c. 663, §3 (NEW).]

6. Verification. During the period a registrant is required to register, the bureau shall require the registrant to verify all registration information unless verifications are suspended. The following provisions govern the verification of registration information.

A. At least 10 days prior to the required verification date, the bureau shall mail a nonforwardable verification form to the last reported mailing address of the registrant. The verification form is deemed received 3 days after mailing unless returned by postal authorities. [PL 2011, c. 663, §3 (NEW).]

B. The registrant shall bring the completed verification form and a current photograph of the registrant to the law enforcement agency having jurisdiction within 5 days of receipt of the form. [PL 2011, c. 663, §3 (NEW).]

C. The law enforcement agency having jurisdiction shall verify the registrant's identity, have the registrant sign the verification form, take the registrant's fingerprints, complete the law enforcement portion of the verification form and immediately forward the fingerprints, photograph and form to the bureau. [PL 2011, c. 663, §3 (NEW).]

[PL 2015, c. 280, §15 (AMD).]

7. Frequency of verification. The frequency of in-person verification of registration information is dependent upon the registrant's tier classification as follows.

B. A Tier II registrant shall register for 25 years and shall verify registration information every 6 months after the registrant's initial registration date. [PL 2015, c. 280, §16 (AMD).]
