

§3607. Tracking; biennial report

The commission shall develop and administer a system to register and track the development of community-based renewable energy projects and by January 15, 2011 and biennially by January 15th thereafter shall report to the joint standing committee of the Legislature having jurisdiction over utilities and energy matters on the program and the development of community-based renewable energy projects. The report must include, but is not limited to: [PL 2009, c. 329, Pt. A, §4 (NEW).]

1. Community-based renewable energy development. Documentation of the progress of community-based renewable energy development, including the number of community-based renewable energy projects in the State, the generating capacity of those projects and the kilowatt-hours of electricity purchased from community-based renewable energy projects; and [PL 2009, c. 329, Pt. A, §4 (NEW).]

2. Program implementation; assessment; recommendations. Actions taken by the commission to implement the program, an assessment of the effectiveness of the program with respect to encouraging the sustainable development of community-based renewable energy in the State and recommendations, including any necessary implementing legislation, to improve the program. [PL 2009, c. 329, Pt. A, §4 (NEW).]
