

Jo Myers  
Waldoboro

Members of the Joint Agriculture, Conservation and Forestry Committee:  
My name is Jo Ann Myers, resident and farmer in Waldoboro for over 20 years.  
I urge your support of LD 691. The past year has extracted a devastating economic toll on thousands of Maine residents. Thousands of Mainers, many who had previously barely met basic living expenses, were unable to meet food needs. This bill offers a small amount of food assistance, using very little in public funds.  
Thank you..
