

Pete Harring  
Washington

Senator Jim Dill, Representative Maggie O'Neil, and distinguished members of the  
Committee on Agriculture, Conservation and Forestry

My name is Pete Harring from Washington, ME. I am not a lobbyist or a member of any special interests group. I am an American citizen and a resident here in the Great State of Maine. I come to you today to ask that you vote "Ought to Pass" on LD 954 "An Act To Provide Equal Access to the Benefits of the Maine Food Sovereignty Act" This bill includes plantations and unorganized territories under the municipal home rule authority and compliance provisions of the Maine Food Sovereignty Act. This should require little to no debate as each and everyone one of us is born with the inherent right to feed ourselves.

Thank you for your time, and I respectfully ask that you vote  
"Ought to Pass."

May you all have a Blessed day.

Pete Harring
