Re: LD 536 - An Act to Amend the Maine Criminal Code

Senator Deschambault, Representative Warren and members of the Committee on Criminal Justice and Public Safety:

The Sex Offender Management and Risk Assessment Advisory Commission (“Commission”) submits the following testimony regarding LD 536 (Part D only) - An Act to Amend the Maine Criminal Code:

Part D only – The Commission is in favor of Part D and believes that the amendments accomplish important public policy objectives while maintaining an appropriate level of public safety.
