LD 759: An Act To Amend the Child Endangerment Laws To Include Certain  
Unauthorized Access to a Loaded Firearm

To the Members of the Committee:

LD 759 Should be Voted "Ought NOT to Pass"

This bill is redundant, unnecessary, and overly broad It is also unnecessary as both  
State and Federal law already address child endangerment and the unlawful transfer  
of firearms to minors.

Vote "Ought NOT to Pass"

Thank you.
