To the Criminal Justice and Public Safety Committee,  
I urge the committee to vote NO on LD 759, An Act To Amend the Child Endangerment Laws  
To Include Certain Unauthorized Access to a Loaded Firearm.

This bill is unnecessary as both State and Federal law already address child endangerment  
and the unlawful transfer of firearms to minors.

Firearms are Personal Property and no one should dictate how we keep and store our legally  
owned personal property.

Again, I urge the committee to vote down this bill.

Respectfully,

Dan Masessa
