Dear committee members:

I am writing today to ask you to support LD 1138, and support the law abiding citizens of this state. Our lives should never be put in danger due to the fear of bad law. I also ask that you support all other pro-gun rights legislation, and vote against all anti-gun rights bills as well. Gun laws never stopped bad people from getting or using guns, period.

Thank you for your time.

Yours Truly,
James Andrews
