I support LD 1171, 1043 and 1127 and limits on no-knock warrants and arrests. Most importantly, I ask the committee to ensure that any bill passed:

- ensures that no-knock bill includes arrests as well as search warrants
- limits no-knock warrants and arrests to concern for life of officer and/or residents
- requires all law enforcement agencies to adopt policies
- includes some kind of consequences as a deterrent for violating the law
- requires body cameras are required, and
- officers are identifiable by uniform and badge
