I am writing to urge you in the strongest terms to vote NO on LD 1138, We live in a society which is becoming increasingly violent and for which there is too little accountability at all levels for unnecessary violence.

The so-called Stand Your Ground laws are simply a license to kill other people for basically any reason and they are known to increase gun homicides where they have been enacted. As a matter of public safety we have a duty to encourage, through sanctions when necessary, nonviolence in society.

The right to bear arms is not and cannot be a right to shoot people with impunity.

Please vote no on LD 1138,.
