

Nancy Coshow  
Bridgton Maine

Please OPPOSE LD 976

Changing the definition of a machine gun doesn't change anything but makes current owners of bump stocks criminals. Federal statues already are in existence regarding machine guns and there is no need for Maine to have a "feel good" to expand on those statues.

The Maine Constitution prohibits this infringement and should have the final say on bill like this that are brought forward.

Please vote OUGHT NOT TO PASS on LD 976
