Honor Members of the Committee,

I urge you to vote "Ought not to pass" on LD 976 for the following reasons;

The US Sixth Circuit Court of Appeals has just ruled the ATF classification of a Bump Stock being classified as a machine gun by the ATF, not constitutional and therefore not legal. Therefore, the point of trying to pass this bill is mute.

This bill should be struck down. LD 976 should be voted "Ought not to pass".
