To: The Members Committee on Criminal Justice and Public Safety  
Subj: LD 1179 An Act To Restrict Maine Law Enforcement Participation in Federal Firearm  
Confiscation or Buy-back Programs without Legislative Approval

My name is Francis Walker of Bath ME and I have submitted this testimony in support of LD  
1179.

The Government buying back a firearm they never sold is in itself a fraud. Taxpayer money  
spent to buy a product to then destroy it. It goes against all logic since we have a right to keep  
and bear arms. It is a tax burden we should not be paying. Again, it is fraud against the  
American people.

Confiscation of firearms is also something that needs to be stopped. The 2nd Amendment  
gives us the right to bear arms. It is the law of the land.

Please vote ought to pass.
