

Jeffrey Brackett
New Sharon Fire and Rescue

I support LD 1803, An Act To Attract and Retain Firefighters and Emergency Medical Services Personnel through the Maine Length of Service Award Program. Firefighters and EMS personnel are critical front line safety workers in all of our communities, and the numbers of active members in many, if not most, departments is declining. Funding LOSAP will provide incentives to potential first responders, particularly younger ones, thereby keeping our communities safer in the coming years. Jeffrey Brackett, LOSAP Board member, New Sharon Fire and Rescue.
