LD 1862

I'm writing in support of LD 1862. There are still far too many deaths by overdose that could have been prevented if people weren't afraid to seek medical assistance out of fear they would be criminally charged since not everyone is protected under the current law. If the Good Samaritan bill is expanded, then it will completely remove that barrier and save more lives. This is a critical bill that I hope you will vote in favor of. Thank you.
