LD 109

My name is Sandra Katz and I live in Saco Maine. I am writing regarding LD109, an Act to Improve Safety for Individuals living in Recovery Residences. Although I certainly want people to be safe, I do not think this bill is the right bill. There are too many items in the bill which will ultimately cause many group homes to have to close. The requirements, like sprinkler systems, are onerous for these homes.

Therefore I am very against this bill.

Thank you for your time!
