

Isteyaq Ahmed
New Delhi
LD 178

Dear Sir,

My name is Isteyaq Ahmed and I am a resident of India and currently based out at New Delhi, I have been following this development virtually as my brother in law is serving a long time and is an Indian national. We have visited Maine twice to meet with our brother in law as per the visitation process of MSP. I must say that the people of Maine are lovely and inviting.

I am writing to you today to show my absolute support for LD 178 and the effort to re-establish parole in Maine.

I support this bill because this is a progressive step towards reforming and it paves the way for re-entry in the society in a systematic way.

Thank you so much for giving us a chance to speak on this matter in support of establishing parole.

Warm Regards

Isteyaq Ahmed
