Vote NO on LD 168 - An Act Regarding Criminal Background Checks for the Sale, Transfer or Exchange of Firearms. **STRONGLY OPPOSE.** Maine has a great outdoors tradition, and this involves the responsible, safe use of firearms. We are not the safest, or nearly so, state for gun ownership for no reason. This law is obstructive to the free exercise of our constitutional rights and heritage, and is NOT needed. Laws that are not necessary are **BAD LAWS.**

Thank you.
