

Rep. Cuddy Proposed Amendment

An Act To Improve Maritime Education in Maine

Be it enacted by the People of the State of Maine as follows:

Sec. 1. [20-A MRSA §8238, 2nd ¶](#), as amended by PL 2019, c. 655, §4, is repealed.

SUMMARY

This proposed amendment keeps the first section of the bill, which repeals the provision of law that terminates the powers, duties and authority of the Maine School for Marine Science, Technology, Transportation and Engineering 90 days after the adjournment of the Second Regular Session of the 130th Legislature.

The proposed amendment removes a second section of the bill that would have provided that the phase-in procedures for schools that are funded in the same way as charter schools are the same as those for charter schools.
