Bill: LD 1389

Maine Ocean School needs your Vote to Pass LD1389

I am writing in support of The Maine Ocean School.

In its first 3 years the Maine Ocean School has already proven that it is fulfilling a much needed marine education for the next generation of Maine. 'These students are the promise of tomorrow's Maine maritime industry .

Passage of LD1389 will ensure that the future of Maine Ocean School is secure.

Thank you,
Doris Cowell
