

Tessa Burpee  
Brewer

My name is Tessa Burpee and I live in Brewer. I have been homeschooling for seven years. While I believe LD 1343 and LD 1426 are well intentioned - supporting students who are homeschooled or who attend private schools with funds that they would otherwise benefit from if they attended a public school - I do not believe either approach is a good idea for homeschoolers.

Providing funds to families who choose to homeschool blurs the line between private and public education. Please remove homeschoolers from the language of both of these bills, LD 1343 and LD 1426.

Sincerely,  
Tessa Burpee
