Topsham

Good Morning, my name is Toni Bashinsky and I reside in Topsham. I am testifying in support of LD 1186 - An Act To Require a Course Regarding the United States Constitution and the Constitution of Maine To Be Taught to High School Seniors. It is so imperative that our kids learn what our Constitution is and what it means as Americans. Often this is glazed over in school and goes right over kids heads because it is so intense. This is a great start to getting our kids informed, especially before they exercise their right to vote, and go out into the world doing adult things like paying taxes. I highly support our kids being taught about their rights as Americans and how important it is to retain those rights. Thank you, Toni Bashinsky
