Re: LD 1186 - An Act to Require a Course Regarding the United States Constitution and the Constitution of Maine to be taught to High School Seniors

I am writing to urge an “ought to pass” on LD 1188.

I think it is imperative for high school seniors to take a course regarding the United States Constitution and the Constitution of Maine.

Our schools are failing our students with the onset of radical-left indoctrination and propaganda “teachings.” Statistics show students do not excel in English or Math. We need to return to “teaching” our students instead of indoctrinating them with Marxist dogma.

And concentrate on teaching the truth of America, and how we have moved forward instead of teaching them to hate our country, which only serves to divide us as a nation.

Teaching the United States Constitution and the Constitution of Maine might serve for a better understanding of our nation and state that we might stand united.

I urge you to vote “ought to pass” on LD 1186.

Thank you,

Annie Christy
