Freeport

Senator Rafferty, Representative Brennan and members of the Maine Committee on Education and Cultural Affairs, I am Deborah Milite of Freeport and I respectfully urge all members to oppose LD 1664 An Act To Integrate African American Studies into American History Education, as Maine teachers and curriculum creators are wiser than this law contemplates and already teach such topics in American History classes. Furthermore, making more and more laws enumerating every last specific issue subverts respect for and ability to follow the laws. Thank you for your time and efforts.
