RE: In Support of LD 1932: Resolve, Regarding Legislative Review of Portions of Chapter 132: Learning Results: Parameters for Essential Instruction, a Major Substantive Rule of the Department of Education
DATE: February 8, 2022

Senator Rafferty, Representative Brennan and distinguished members of the Joint Standing Committee on Education and Cultural Affairs. My name is Dr. Holly Blair, and I am the Executive Director of the Maine Principals' Association – Professional Division. The MPA represents more than 800 PreK-12 principals and assistant principals of public and private schools in Maine.

The MPA Legislative Committee has provided testimony in the past in support of the work provided by the Department of Education in regard to the Maine Learning Results. Because of this and our ongoing work with the Department of Education, the MPA Legislative Committee unanimously supports this Resolve and urges the committee to pass LD 1932.
