Testimony of Pamphile Bakajika), King Middle School
In Support of LD 156

INTRODUCTION

Senator Rafferty, Representative Brennan and esteemed members of the Joint Standing Committee on Education and Cultural Affairs. My name is (YOUR NAME). I am a resident of (Portland) and a grade 7 student at King Middle School.

Today, I'm submitting testimony in support of LD 156, "An Act to Require Outdoor Recess Time For Students From Grade 6 To Grade 8".

SECTION 1

I think this should be a law because we go to school for 7 hours learning so the least we can get and a 30 min free time/ recess and some people need to talk to their friends that they don't see after school.

SECTION 2

Recess works at king because kids need time to be kids with no one telling what to do . And not everyone wants to talk to each other at lunch. That's why we need recess .
