

Hi my name is Ada Duffey
I am 7 years old. I am in the
frist grade in pond cove school.

By the time I sit down to
eat I only have Ten minits
to eat. I eat my faorit things
frist and dont have time to
eat the rest. when I am
done eating I am still hungry!
I think haveing more time would
be good so we are not hangry
at the end of lunch. thank you
