In Support of LD51

My name is Jennifer Casad. I am a resident of Bristol, Maine. I support LD51. As a parent, I make medical decisions in the best interest of my child. I have full knowledge of my child's medical history. I am her Guardian in the true sense of the word. Vaccine mandates have greatly limited my daughters opportunity for education in the State of Maine. Please vote yes on LD 51, "An Act to Restore Religious and Philosophical Exemptions to Immunization Requirements."
