LD 51

Senator Rafferty, Representative Brennan, and distinguished members of the committee, I am asking you today to vote ought to pass on LD 51. I am sharing testimony in support of LD 51, as well as LD 869, LD 1098, LD 1148, LD 1209, and LD 1228. Public education should be available to all, no matter the decisions made in the doctor's office. Also in short, the system is broken and has lost my trust. Implementation of LD798 chased away good students, good citizens and great medical professionals. Respectfully, LaurieJean Gombar Lyman
