

Timothy Spang  
Kennebunkport  
LD 394

Hi, my name is TimSpang, I'm against this because you're taking the parents rights away you're going to pin the student against the parents. The parents against the social worker and people with money are going to sue the districts, and people are gonna pull their kids out of these districts, And push for school choice. This should not pass. I'm a parent and a grandfather.
