

Kalley Vosmus

LD 394

My name is Kalley Vosmus. I am a Windham Maine resident. I have three children. I am writing you today to share that I would NOT like this bill to be passed. First and foremost, we are a religious Christian family with Christ at our center.

I do not give anyone permission to groom, council, redirect, or “ help” my children in any way shape or form when it comes to their gender and sexuality preferences! With that being said I certainly do not give my permission for this to happen to my minor child WITHOUT my knowledge!

In order for my child to receive ibuprofen while I’m school, a permission slip needs to be signed by either myself or her father. So I do NOT give my permission for ANYONE to give my child a medication, hormone, or vaccination without my consent!

There is NOT ONE part of this bill that I agree with. It’s immoral, inhumane, and down right disgraceful.
