

James Andrews
Sidney
LD 1557

I urge support and passage of the following proposed bills:

LD-1557-which would allow individuals with concealed carry permits to carry on public or private school grounds.

LD 52-An act to allow certain school employees to carry firearms on school property.

LD 518-an act to allow armed security in schools.

These bills are all great ideas and realistic when it comes to protecting our kids.
