Testimony in support of LD 1860 "An Act to Create the Educational Opportunity Account Program"

Senator Rafferty, Representative Brennan, and the distinguished members of the Committee on Education and Cultural Affairs, my name is William Smith, I live in Gorham and am a strong educational support and freedom.

As a previous educator I think the support and flexibility created by this bill would strongly enable students to further their commitments to long term plans in order to reach a more educationally rich life.

So I ask you vote SHALL PASS for LD 1860.

Thank you.
