

Alex Wu
Scarborough
LD 808

Hello members of the joint standing committee on Education and Cultural Affairs.
My name is Alex Wu and I am a junior at Scarborough High School.

The most recent bill draft available for this bill is not available online. The only thing I can see on the bill text is the summary, of which I do not understand. Keeping that in mind I support state subsidized education because I believe education is a fundamental right and all students should be able to access college education (what I THINK this bill is talking about?) regardless of their family's financial status.

Thank you for the opportunity to testify.
