“Senator Rafferty, Representative Brennan, and Members of the Joint Standing Committee on Education and Cultural Affairs:

My name is Myra Richard, from Wells, and I am writing in support of L.D. 2131, An Act to Support Extended Learning Opportunities.”

My students' goals are to acquire knowledge through multitudes of resources and do that by engaging in opportunities for social, academic and civic growth. As their special educator advocate Extended Learning Opportunities can help them connect with people and resources to capitalize on learning experiences.
