

James Turpin
Naples

As a resident of Naples and a member of the Naples Selectboard, I am writing to express my strong disapproval of this bill, as submitted by Rich Cebra. Passage would be counter to preserving the health of our waterways and counter to the Town of Naples Shoreland Zoning Ordinances. This bill is very much a step in the wrong direction, serves the financial interests of the few, while ignoring the interests of the many toward preserving the ecology and quality of place that supports our local tourist economy. Anyone with property within the Shoreland Zone is constrained in one way or another by Shoreland Zoning Ordinances. Special interests should not be free of the constraints that apply to everyone else.
