Maine Immigrants' Rights Coalition
LD 928

Dear Members of the Environment and Natural Resources Committee:

My name is Tobin Williamson and I work for the Maine Immigrants' Rights Coalition, a statewide network of almost 100 member organizations working to enhance the lives of Maine's immigrant communities.

It is our understanding that LD 928 "will strengthen environmental justice by ensuring all communities – regardless of race, ethnicity, or income – have the same rights to clean water and air and healthy environments" and make it "the duty of all government officials to protect all communities equitably."

As an organization who wholeheartedly supports the idea of environmental justice, we encourage you to pass LD 928.

Thank you for your consideration.
