LD 1363

Senator Brenner, Representative Gramlich, and members of the ENR Committee:

I represent no entity or agency and would like to express opposition to LD1363.

The State moving from 3 acres of open pit mining to 100 acres of open pit mining doesn't seem to meet the competent and reasonable sniff-test.

I'd like some more thought to be put into the long term impacts of this radical departure from tested and codified law.

I urge the committee to vote ought not to pass on LD1363.

Thank you.

Dan
